Discover the Shoals Scavenger Hunt Assignment
Due December 3, 2013
20 Points

The best way to learn about your university and your community is to get out and explore! To successfully complete this assignment, you must choose 5 places/events/projects from the list below. You then must visit the location, participate in the event or complete the project; to prove that you have done so, you must take a picture of yourself completing each of the 5 activities. **Note:** In order to receive full credit, students must complete at least one activity from each of the categories. Students must then compile all 5 images – or more if you want – into one document (e.g., Word document, PDF, PowerPoint slides, etc.), print it and submit it on the last day of class, December 3rd. No late work will be accepted.

Museums/sites: If you visit any of the museums, your picture MUST be taken inside. All of the Florence City Museums (FCM) charge $.50 for students so make sure to bring your ID to get the discount! You will need to do a little searching around online to find hours and directions for these locations.

1. Ivy Green: Birthplace of Helen Keller in Tuscumbia, AL
2. Fame Music Studio: Famous recording studio in Muscle Shoals, AL
3. W.C. Handy Home: Birthplace of the “Father of the Blues in Florence, AL (FCM)
4. Frank Lloyd Wright Home: Only example of Frank Lloyd Wright architecture in Alabama (FCM)
5. Indian Mound: One of the largest Indian domiciliary mounds – Florence, AL (FCM)
6. Pope’s Tavern: Documents the history of Florence – Florence, AL (FCM)

Events: You must take a picture of yourself at the event (and it must be identifiable that you are actually at the event). You will need to do a little digging around online to find out more information.

1. Alabama Renaissance Faire – Florence, AL (October 26 & 27)
2. Trail of Tears Ride and Native American Pow Wow (McFarland Park in Florence – you do not need a motorcycle!) (September 21 & 22)
3. First Fridays (downtown Florence) – first Friday of each month
4. Oktoberfest – St. Florian, AL (October 5 & 6)

Projects: In order to get credit for these projects, please follow the directions for each individual project.

1. Go to the Florence Lauderdale Public Library and sign up for a library card. You must take a picture of yourself inside the library with your new library card (a book would be a great addition!).
2. Go to the Writing Center for a class other than Dr. Barske’s HI 201. Take a picture of yourself, your writing tutor and your paper (which cannot be the HI 201 paper!).
3. In Collier Library, please find the following books and take a picture of yourself holding them.

Bonus: You can earn 1 bonus point for each picture you take that has another member of the class in it. Note, you can only use each member of the class once (i.e., you can’t do all 5 events/activities with the same person and get a bonus)
