

Welcome to the University of North Alabama! If you are visiting campus and would like to register for parking, please fill out the following form [here](#):

Confirmation emails are sent within 2 hours, during business hours (M-F, 8am-4pm) when UNA is open.

**Please read the following guidelines:**

- Registering your vehicle for parking will allow you to park in any legal space on campus.
- *Citations to Visitors:* It is not University policy to issue citations to visitors, however; it is sometimes difficult to identify visitor's vehicles. If you are a visitor and receive a citation with "No Permit" or "Unregistered Vehicle" violation, please present the citation with driver's license to Transportation Services office in the G.U.C. (Guillot University Center) so we may void the citation, or submit an [appeal here](#).
- Citations issued for any *State Violations* (i.e. Handicap, Yellow Curb, Blocking Traffic, etc.) will not be eligible for waiver of ticket. Payment will be expected as directed on the citation.
- Visitors with Non-registered vehicles should park in designated VISITOR LOT (LOT A on [map](#)), unless parking registration is requested. The Visitor Lot is accessed from Irvine Avenue entrance, on the right (east) side of the lot, nearest the fountain.
