

**Before returning to campus each day, each employee should complete the Self-Screening Assessment. If the response to any question is yes, the employee should contact University Health Services at 256-765-4328 to determine if continued isolation from campus is indicated. The employee must call between 7:30am and 4:30 pm Monday through Thursday and 7:30-11:30am on Fridays. \***

Answer the following questions:

1. Do you have a fever or have you felt feverish within the past 24 hours?
2. Do you have a cough? Do you have a sore throat?
3. Do you have difficulty breathing or shortness of breath?
4. Do you have fatigue?
5. Do you have muscle pain?
6. Do you have a headache?
7. Do you have nausea, vomiting or diarrhea?
8. Do you have chills or repeated shaking with chills?
9. Have you lost the ability to smell or taste?
10. Do you have congestion or runny nose?
11. Have you tested positive for COVID-19, or are you awaiting COVID-19 test results?
12. Have you been around anyone that has tested positive for COVID-19, or someone that is awaiting COVID-19 test results?

\* Prior to returning to the workplace for the FIRST TIME, Each employee should complete the Self-Screening Assessment no later than 10:00 am of the business day prior to the first scheduled return to work date. For example, employees returning to work for the first time on Tuesday, May 12 should complete the Screening-Screening Assessment by 10:00 am on Monday, May 11. After the first day back to the workplace, the employee will also complete the Self-Screening Assessment, each day prior to arrival on campus.
