Percussion Mini-Camp, June 27-28

While this camp is not mandatory, it is highly recommended that all prospective percussionists attend in order to give themselves the best chance possible to perform on the instrument of their choice. Some students are touring with summer performance organizations, others simply be out of town, and some may join-up later in the summer. The instructional staff will make decisions concerning instrument assignments based on the needs of the entire group. At times, students will be given an opportunity to learn music after the mini-camp and re-audition at a later date.

Please direct all questions to Dr. Lloyd Jones, Director of Bands, lejones@una.edu, 256-765-4362.
